8 Sec. 11-1307. Centralized parking meter systems.

9 (a) As used in this Section:

10 "Centralized parking meter system" means a system of
11 regulating the standing or parking of vehicles that includes 3
12 or more parking meter zones, and a single parking meter.

13 "Parking meter" means a traffic control device which, upon
14 being activated by deposit of currency of the United States, or
15 by electronic or other form of payment, in the amount indicated
16 thereon or otherwise, either: (1) displays a signal showing
17 that parking is allowed from the time of such activation until
18 the expiration of the time fixed for parking in the parking
19 meter zone in which it is located, and upon expiration of such
20 time indicates by sign or signal that the lawful parking period
21 has expired, or (2) issues a ticket or other token, or
22 activates a display device, on which is printed or otherwise
23 indicated the lawful parking period in the parking meter zone
24 in which the parking meter is located, such ticket, other
25 token, or display device, to be displayed in a publicly visible

1 location on the dashboard or inner windshield of a vehicle
2 parked in the parking meter zone, or such ticket to be affixed
3 on the front lamp of a motorcycle or motor scooter parked in
4 the parking meter zone.

5 "Parking meter zone" means a certain designated and
6 marked-off section of the public way within the marked
7 boundaries where a vehicle may be temporarily parked and
8 allowed to remain for such period of time as the parking meter
9 attached thereto, or the ticket or other token issued by the
10 parking meter, may indicate.

11 (b) If for any reason the parking meter serving a space or,
12 in a centralized parking meter system, serving a parking meter
13 zone is malfunctioning due to the accumulation of ice or snow
14 and it has been reported to the local authorities as
15 malfunctioning prior to a violation for the standing or parking
16 of vehicles being issued, it shall be a valid affirmative
17 defense to such violation until such time as the parking meter
18 is brought back into service."
